# Logging Out of SwiftCare

kinseed

Learn how to safely log out of SwiftCare when you are finished with your session.

1   Start on any page on SwiftCare.

2   Click on your username in the top right corner of the screen

3 Click "Sign out"

4 Verify you are signed out by checking for the message reading "**You ahve been logged out due to inactivity or you logged out"**. You are now successfully logged out of SwiftCare.
