# Opening the MediWork App

kinseed
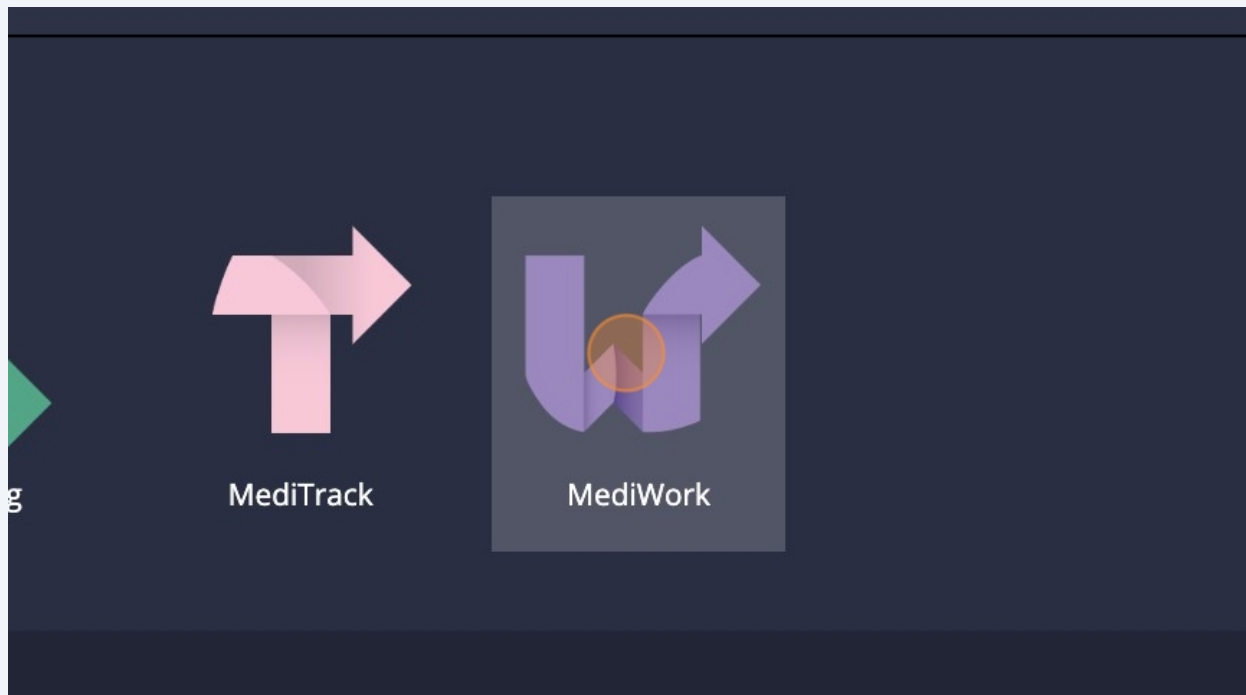

Learn how to open the MediWork app within SwiftCare.

1   Log in to **swiftcare.com**.

2   Check you are in the right organisation - if you need to change it, click the organisation dropdown at the top of the screen.

3   Click the **MediWork** icon.

4   You have now opened MediWork, as indicated in the breadcrumb trail at the top of the page. You can return to the main SwiftCare homepage by clicking the cross icon in the top left corner of the screen at any time.
